# A) Coalition priorities

## 1. Deliver the 2012 Olympics and Paralympics

- Deliver a safe and successful Olympic and Paralympic Games in London in 2012, and help to deliver a genuine and lasting legacy throughout the country

## 2. Create a sporting legacy from the Olympic and Paralympic Games

- Encourage competitive sport in schools by establishing a new School Games competition, improve local sports facilities and establish a lasting community sports legacy. Promote a sporting habit for life by concentrating investment on creating more opportunities for 14–25 year olds to play sport. Deliver a world-leading elite sport system, deliver major events, and reform the governance of sport.

## 3. Create the conditions for growth

- Facilitate sustainable growth in the tourism, media, leisure, creative, communications and cultural industries, including by reforming the media regulatory regime

## 4. Boost the Big Society and strengthen cultural organisations

- Encourage philanthropic giving, return the National Lottery to its founding principles and foster the development of a new breed of strong local media groups. Reform arm's length bodies, support a move towards more sustainable business models and support libraries into the next generation

## 5. Facilitate the delivery of universal broadband and improved mobile coverage

- Stimulate private sector investment to deliver the best super-fast broadband network in Europe and provide for improved mobile coverage by 2015

## Departmental efficiency

This data aims allows the public to compare the Department's operations to other organisations by setting out the cost of common operational areas, and sets out the Department's efficiency plans for 2012/13.

Spending Category	Latest data (Q3 2011)	Actions to improve operational efficiency in 2012/13
<b>Estates</b>	Cost per FTE: £3,089 Cost per m2: £268	We will continue to look at opportunities for cost savings in both short and long term. This includes an agreement to share some of our core office space with another Government agency from late autumn 2012.
<b>Procurement</b>	Total Procurement Spend: £4.89m Price of standard box of A4 white copier paper (2500 sheets): £10.00 Average price of energy (KWh): £0.06	We continue to look to deliver costs savings by reducing consulting and marketing and media spend as well as managing the migration of centralised commodities to the Government Procurement Service (GPS). We are also exploring opportunities to take advantage of GPS services for processing low value procurements.
<b>Fraud, Error and Debt</b>	Total Identified Fraud: £0.03m Total known Errors: £0.00m Total Debt: £0.10m	DCMS has put a Counter Fraud Champion and Alert System Co-ordinator in place. Dissemination of fraud alerts and other information to bodies and sharing of data with the National Fraud Intelligence Bureau will continue
<b>HR</b>	455 FTE (Core Department Only)	Reduce headcount by running a voluntary redundancy scheme and applying greater control of recruitment.
<b>Major Projects</b>	Whole life cost of all major projects: £10,708m	Major project delivery will continue to be rigorously assessed through a dedicated committee focused on Audit and Risk which reports to the Departmental Board.
<b>Information Technology</b>	Total 3rd Party ICT Cost: £0.80m Cost of desktop provision per FTE: £218	We will increase the efficiency of our IT spend through increased centralised procurement, renegotiation of contracts where possible.
<b>SMEs and Voluntary Organisations</b>	Procurement spend with SME: £0.93m Procurement spend with VCS: £0.00m Grants to VCS: £8.76m	We will work with the Cabinet Office to make sure that we organise our procurement in a way that gives all organisations the opportunity to compete for contracts.

## D) Transparency

## Open data

This section sets out as a summary DCMS's commitment to open data. Further details, including what new datasets will be published when, will be set out in full in DCMS's Open Data Strategy, to be published this summer.

In addition to the indicators on the last page, we will publish a range of other datasets on our website as well as links to other data sources which will help people judge the progress of structural reforms.

This includes details from the DCMS Taking Part Survey which measures the following:

- Sport participation breakdowns (1x30minute sessions, once in last 4 weeks)
- Proportion of adults and children who participate in cultural activities
- Satisfaction with last cultural experience
- Engagement with different Olympic activities
- Charitable giving and volunteering in the culture and sport sector

It also includes 'official statistics' produced by the DCMS and our Crown/Non-Crown bodies that are designated 'official statistics producers' under the Statistics and Registration Services Act 2007. The DCMS Official Statistics Catalogue can be found here:

[http://www.culture.gov.uk/what\\_we\\_do/research\\_and\\_statistics/4824.aspx](http://www.culture.gov.uk/what_we_do/research_and_statistics/4824.aspx)

The Open Data Strategy will also set out how we plan to improve the quality of what we make available and engage with the people who use our data.
